## Fabric & Materials

For this tutorial i use cotton fabric, but have fun experiment with different fabrics, textures, colours!

Scrunchies made out of silk, satin, knits, cottons are amazing!

## Notion's

- 1" wide elastic

To maintain the width of the scrunchie and give you a good strap you can hang off your wrist i chose 1" elastic. if you dont have 1" use what you have!

- 1" keyfob hardware (i get mine off amazon)

## Tools

- Rotary Cutter and Mat
- Marking Tools (chalk or water soluble pen)
- Sewing Machine
- Thread to match

## Measurements

Cut 1 - 22" x 4" wide  
11" elastic
