Things you will need

A cheap towel or Terry Cloth
A 1 Inch button
Cotton Cord, paracord

To use this towel you bend over with your head down and your hair hanging to the floor place the button portion lining up with your spine on the back of your neck, with your fingers place the edge of the towel along your hair line while pushing your wet hair into the towel, pinch the hair wrap at the centre of your forehead and begin to twist 3 or 4 times while bringing the loop at the end of the tail over your head to hook onto the button at the back of your head
